

Motivational Quote

Greetings Parents and Students!!

As we begin the 19-20SY, we would like to welcome the ALANHS Class of 2023!

The ALANHS family is here to support and encourage each of you as you thrive in your academics and participate in extracurricular activities!

GREAT NEWS: ALANHS had an increase in the number of AP Scholars at NHS (see Celebration section)! In addition, community leaders have emailed several wonderful compliments of students who have volunteered with their organization. Lastly, multiple schools are looking forward to partner with students on their ISPs. Keep up the great work!

As always we are striving for academic excellence and demonstrating why liberal arts are important in our community. Remember our goal is to become 21st century leaders in our community. #alanhsleaders

Happy Labor Day!

Putting children first,
Dr. V. Lockhart
ALANHS Program Director

September 2019
