Dear ALANHS Students,

As college and career ready students, you must make sure you are exercising good decision making skills and balancing your time appropriately. Several of you are balancing school, extracurricular activities, employment, and/or the life of being a teenager. Make sure to not get overwhelmed and ask for assistance if needed. Put your best effort forth in preparing for mid-term exams. I believe in each of you! Best wishes on concluding the 1st semester of 2019-2020 SY.
