

PARENT SURVEY– MATHEMATICS RESOURCES

for Advanced Finite Mathematics, Advanced Mathematical Decision Making, College Readiness Mathematics, Foundations of Algebra, Mathematics of Finance, Pre-Calculus/Accel, Statistical Reasoning, AP Calculus and AP Statistics

Date: _____

Use this survey to record your feedback on the mathematics adoption materials for Advanced Finite, Adv. Mathematical Decision Making, College Readiness Mathematics, Foundations of Algebra, Mathematics of Finance, Pre-Calculus/Accelerated Pre-Calculus, Statistical Reasoning, AP Calculus and AP Statistics. Please review publishers for a particular course before completing this survey. Please respond to each question. Please submit only one survey per course.

1. Please select your school:

Alcovy High

Eastside High

Newton High

Newton College and Career Academy

2. Enter your name (Last name, First name) _____

3. Please select course reviewed (**select one**)

Advanced Finite

Adv. Mathematical Decision Making

College Readiness Mathematics

Foundations of Algebra

Mathematics of Finance

Pre-Calculus/Accelerated

Statistical Reasoning

AP Calculus

AP Statistics

4. Which textbook for your course provides the best print and digital resources? (**select one**)

AFM-Finite Mathematics and Its Application 12e (Pearson/Goldstein, et al)

AFM-Discrete Mathematics with Applications 3rd ed. (National Geographic-Cengage/Epp)

AMDM-Using and Understanding Mathematics: A Qualitative Reasoning Approach 7e (Pearson)

FOA-Essentials of Algebra (McGraw-Hill)

FOA-Pre-Algebra 8e (Pearson/Martin-Gay)

FOA-On Ramp to Algebra (Pearson)

CRM-Intermediate Algebra 7e (Pearson/Martin/Gay)

CRM-Applied Mathematics for College and Career Readiness (Pearson)

MF-Math for Business and Finance (McGraw-Hill)

(Complete the other side)

PARENT SURVEY– MATHEMATICS RESOURCES

for Advanced Finite Mathematics, Advanced Mathematical Decision Making, College Readiness Mathematics, Foundations of Algebra, Mathematics of Finance, Pre-Calculus/Accel, Statistical Reasoning, AP Calculus and AP Statistics

- MF-Personal Financial Literacy 3e (Pearson-Madura/Casey/Roberts)
- PC/APC-Glencoe (McGraw-Hill)
- PC/APC-Miller (Mc-Graw-Hill)
- PC/APC-Pre-Calculus: Graphical, Numerical, Alg 10e (Pearson- Waits/Foley/Kennedy/Brock)
- PC/APC-Pre-Calculus 6e (Pearson/Blitzer)
- PC/APC-Pre-Calculus: Enhanced with Graphing Utilities 7e (Pearson/Sullivan)
- PC/APC-Pre-Calc (Pearson/Sullivan)
- SR-Stats in Your World, 3e (Pearson/Brock)
- SR-Elementary Statistics: Picturing the World, 7e (Pearson/Larson)
- ApCal-Calculus: Graphical, Numerical, Alg (Pearson-Demana/Waits/Kennedy/Bressoud/Boardman)-covers AB and BC)
- ApCalc-Calculus 2e (Pearson-Briggs/Cochran/Gillett)-covers AB and BC
- ApCalc-Calculus for AP (Bedford, Freeman and Worth/Sullivan and Miranda)
- ApCalc-Calculus (National Geographic (Cengage)/Larson and Battaglia)
- ApStats-Stats: Modeling the World 5e (Pearson-Brock, Bullard, Velleman, DeVeaux)
- ApStats-The Practice of Statistics (Bedford, Freeman and Worth/Starnes and Tabor)
- I do not have a preference.

5. Which textbook for your course do you recommend for adoption? (select one)

- AFM-Finite Mathematics and Its Application 12e (Pearson/Goldstein, et al)
- AFM-Discrete Mathematics with Applications 3rd ed. (National Geographic-Cengage/Epp)
- AMDM-Using and Understanding Mathematics: A Qualitative Reasoning Approach 7e (Pearson)
- FOA-Essentials of Algebra (McGraw-Hill)
- FOA-Pre-Algebra 8e (Pearson/Martin-Gay)
- FOA-On Ramp to Algebra (Pearson)
- CRM-Intermediate Algebra 7e (Pearson/Martin/Gay)
- CRM-Applied Mathematics for College and Career Readiness (Pearson)

6. Why do you think your choice is best?

7. Please provide any additional information that would be beneficial in making a final choice for the district.

Thank you for your feedback.
