RE: Fall notice for Junior Dues & Prom Letter  
TO: Attention Juniors & Parents:

We are often asked, “Why do students have to pay junior dues?” We are sending this letter home and sharing it with all junior students in order to provide an answer to your question and to help everyone understand why paying junior dues are important.

As part of the high school experience, juniors and seniors have opportunities to participate in class events such as prom, trips and picnics. The *Prom* is hosted each year by the junior class, and seniors are special guests of the junior class. In order to ensure these memorable moments occur, junior dues must be collected.

The amount of dues is based on: 1) junior class student enrollment and 2) projected costs associated with hosting these events such as decorations, favors, etc. Dues must be paid in full by the due date (March 1<sup>st</sup>, 2020) so that the venue and related materials for Prom, Jr Event and a teeshirt, can be secured and purchased. Please note that all dues, once paid, are non-refundable.

As stated earlier seniors are guest of the junior class, therefore seniors who met their financial obligations during their junior year will be permitted to attend Prom at no cost (date tickets not included).

- **Junior dues, in the amount of \$120, are due in full by Dec 31<sup>st</sup>, 2019**
